

June 9, 2025

Dear Jiaming Yuan,

It is my pleasure to inform you that you have been selected by the Computer Science Department to be the recipient of this year's

GURDEEP PALL GRADUATE STUDENT FELLOWSHIP

This award goes to a graduate student who has been evaluated on the overall quality of their academic work, their commitment to learning, and their potential for further academic achievement.

The award is for **\$2,000** which will be transferred into your student account--- and from there you should be able to transfer it into your checking account. Please allow for 15 business days for the funds to be credited to your account. If the money has not been accredited to your account, please contact Olive Bennett at odavid@uoregon.edu. An accompanying certificate will be given to you and can be picked up at the Department Office.

Since this award is funded by a donor, it would be helpful if you could write a brief thank-you note that we could send to that person. There's no huge hurry for this, although it would be great if we got it in the next few weeks. A handwritten note is usually what the donors appreciate most, but a PDF would also be fine. I am attaching a template of a sample letter that could be used as a guide, but you can feel free to ignore this and write something completely different. If you do use the sample template, please rewrite most of it into your own words. When you are done, you can drop the note off in the main Deschutes Front office in care of Olive Bennett, or email her directly at odavid@uoregon.edu.

Your donor information is as follows:

Gurdeep Pall & Seema Pareek

Thank you, and **congratulations!**

Yingjiu (Joe) Li
